The History of Wyndham Cache

Our founders Irfan (John) and Aliye (Julie) Ahmed were married in Melbourne in 1955.

After many hard years of work, in 1970 they eventually purchased this piece of land and began to turn their dreams into reality.

From humble beginnings they built a respected business by feeding their own family and the many other families in the area.

Today their family have continued their legacy by supplying quality produce to all who visit the cafe and deli.

The cafe you are sitting in was built in 2010 and could be considered the jewel in the crown.

The Ahmed family and the whole team at Wyndham Cache are very proud to be part of this business and we do appreciate your patronage.

Thank you for choosing to visit Wyndham Cache.

Bon appétit
